だ 人 ま 足

The image shows a heavily damaged document page. The paper is dark and stained, with numerous large tears and holes. The text is mostly illegible due to the damage and high contrast. The visible text appears to be in a non-Latin script, possibly Chinese or Japanese, arranged in vertical columns. The damage is most severe in the center and right side of the page, where large portions of the paper are missing or torn away.

五本宋次正
