傾城傳授
城袖天神記

三

A small, high-contrast black and white portrait of a man from the chest up. He is wearing a dark, high-collared coat or robe. The image is grainy and appears to be a reproduction of a photograph or a print.

卷之三

の將箇
雀三郎

This image shows a horizontal strip of ancient Chinese oracle bone script, characterized by its unique, angular, and somewhat abstract characters. The script is arranged in several vertical columns across the width of the strip. The characters are carved into a light-colored, possibly stone or bone, surface, with dark ink used to highlight specific strokes or entire characters. The overall appearance is one of historical and archaeological significance.
