

The Third Conference: GIS-based Global History from Asian Perspectives

2015/6/4-7 The Univ. of Tokyo, Hongo Campus

6/4(Thu) Southeast Asia

Time	Name	Title	Country	Affiliation
10:00-10:30	Opening Welcome address and the purpose of the meeting: Tsukasa Mizushima (Organizer, The University of Tokyo)			
10:30-12:30	Marco Lagman	Assessing the Demographic and Spatial Characteristics of Migrant Workers in Selected Districts of Nineteenth Century Manila Using Archival Census Records and Geographic Information Systems	Philippines	University of the Philippines - Diliman
	Ony Martinez	Variety and Spatial Distribution of Occupations in the late 1800s in the Pueblos of Manila	Philippines	Miriam College; University of the Philippines -
14:00-18:00	Jon Villasper	A GIS-Based Approach to Tracing The Spatio-Temporal Formation of Towns in the Philippines during the Spanish Colonial Period	Philippines	University of the Philippines - Diliman
	Toshiyuki Miyata	A Study of Business Directory published in Hongkong	Japan	Tokyo University of Foreign Studies
	Pujo Semedi Hargo	Fields for Coffee: Forest lands contestation in Upland Java, 1850s –	Indonesia	Universitas Gadjah Mada
	Vu Kim Chi	Historical land use dynamics in the Northern mountain of Vietnam	Vietnam	Vietnam National University
	Nguyễn Quang Anh	GIS and geomorphology studies to determine ancient trade routes and harbors in the Red river delta, Vietnam	Vietnam	Vietnam National University
19:00-20:30	Reception			

6/5(Fri) Historical data and GIS/ South Asia

Time	Name	Title	Country	Affiliation
10:30-12:30	Ryuto Shimada	A Spatial Analysis of Ethnicity and Land-use of Batavia, 1619-1930	Japan	Univesity of Tokyo
	Bolorchuluun Chogsom	GIS Development and Applications in Mongolia	Mongolia	National University of Mongolia
14:00-18:00	Amaresh Dubey	Growth of Industrial Cities in India: A Case Study of Jamshedpur	India	Jawaharlal Nehru University
	Rajnish Kumar	Spatial evolution of Jamshedpur city and its agglomeration effects	India	Jawaharlal Nehru University
	James Nye	Geospatial data and the integration of digital resources for South	USA	Univesity of Chicago
	Tsukuasa Mizushima	A GIS-based Study on the Emergence of Small and Medium Scale Towns in Pre-Independent South India	Japan	Univesity of Tokyo

6/6(Sat) China Commentator: Prof. Takeshi Hamashita (Sun Yat-sen University)

Days	Name	Title	Country	Affiliation
10:30-12:30	ZOU, Yi	The Distribution of Tea Industry in Huizhou: Based on the Records of Investigations during the Republic of China	China	Fudan University
	LIANG, Yutian	Spatial-temporal changes of China's export since the reform and	China	Sun Yat-sen University
14:00-18:00	SUN, Tao	Spatial and temporal distribution of the lower Yellow River dike breaches in the Qing Dynasty (1644-1855)	China	Fudan University
	I-Chun Fan	Urbanization and Land Utilization in Tainan Region of the Southern Taiwan--with GIS Approaching	Taiwan	Academia Sinica
	XIE Shi	A Preliminary GIS Analysis on the Settlement Geography under the Garrison and Military Cultivation System in the South China Mountain Area from 14 to 19 Century	China	Sun Yat-sen University
	Ueda Makoto	A Demographic Study on the Development at Zhuji (諸暨) Basin, Zhejiang Province	Japan	Rikkyo University

6/7(Sun) Disease and GIS/ Historical data and GIS

Days	Name	Title	Country	Affiliation
10:30-12:30	Ta-Chien Chan	The Epidemics of Hand, Foot, and Mouth Disease in Island-Type Territory, East Asia	Taiwan	Academia Sinica
	Kohei Wakimura and Kenji Taniguchi	Cholera and Malaria in the Late 19th Century Bengal: A Pilot Study of Spatial Analysis	Japan	Osaka City University
14:00-18:00	JSE Yuwono	National Mapping System of the Archaeological and Historical Sites in Indonesia: A Proposed Model of Spatial Data Integration	Indonesia	Universitas Gadjah Mada
	Hsiung-Ming Liao	The Collaborative Research Platform for Data Curation and Repositories: On the GIS-Based Asian-wide Historical Studies	Taiwan	Academia Sinica
	Tatsuki Sekino and Hsiung-Ming Liao	Workshop	Japan	Chikyu ken
	Closing Closing address: Tsukasa Mizushima (Organizer, The University of Tokyo)
