The Chinese University of Hong Kong (CUHK) is a comprehensive research university with a global vision. It was founded with a mission to combine tradition with modernity and to bring together China and the West. CUHK's firmly rooted Chinese culture, multiculturalism and its unique college system sets itself apart from other universities in Hong Kong and the region.

CUHK has always been at the forefront of teaching and research, nurturing the next generation of leaders in all fields. The galaxy of distinguished scholars and researchers at CUHK include a Nobel Laureate, a Fields medallist, a Turing Award winner, and countless academics with international recognition.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in greenery. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Housing

Undergraduate exchange students are guaranteed on-campus housing and are assigned to double or triple-occupancy rooms. Living with local students will ease the transition to a new environment and promote Chinese culture immersion. No separate application for on-campus housing is required.
